GENERAL SHOW INFORMATION

1. The LOCC Fall Llama Event will be held on September 3rd & 4th, 2011 at the Douglas County Fairgrounds indoor arena, 500 Fairgrounds Dr, Castle Rock Colorado. The site has a 120' x 300' indoor arena and 94 11' x 12' dirt floor stalls.
2. Health certificates issued by an accredited veterinarian in the state of origin, **(for all llamas brought into Colorado)** dated within 30 days, must be presented at time of check-in. **Health certificates are not required for llamas residing within Colorado.** All livestock showing evidence of infectious, contagious or communicable diseases must be immediately withdrawn from the show and removed from the grounds. A veterinarian will be on call both days.
3. Exhibitors must be the registered owners and make entry in the exact names (owners and animal) as shown on the registration certificate.
4. All llamas **5** months and older entered in approved classes, with the exception of Youth, Performance and Non-Breeder Classes, must be registered or have passed screening **in the Llama Division** with the International Lama Registry (ILR) or the Canadian Livestock Record Corporation (CLRC). Non-Breeder llamas do not have to be registered or screened with the ILR or the CLRC. **If Non-Breeders are not registered and wish to be in the ALSA award system and wish to show in halter, they must show in the adult Non-Breeder halter class.** All llamas must have registration papers. ILR numbers must be included on the entry form and **exhibitors must send a copy of their registration certificate with the entry form.** **Failure to submit copies of registration forms will prohibit entry of animal into show(non-breeders exempt).** **EVERYONE must include a copy of your valid ALSA membership card with your entry or show it at registration** or you will be required to pay the ALSA non-member fee.

8. All stalls **MUST BE CLEANED** BEFORE YOUR DEPARTURE or you will be billed \$10.00 for each un-cleaned stall (that is what they charge us to strip a stall). Debris from stalls may be placed directly in the middle of the barn pathways (inside barns) to be removed by Douglas County Fairgrounds. Thanks for your cooperation.
